

DISCLAIMER

Welcome to Dream Ensemble High on Music 2022 Seattle Tour. We will have an optional Child Care Center available for children ages 5 to 11 years old. Children under 5 years old are permitted to sit with parents on their lap in the main auditorium during the performance.

- The Child Care Center will be in a separate auditorium within Kane Hall.
- We will have staff assigned to this space to monitor children between 5:30 PM to 10PM.
- You know your child best, so for your child's safety the staff will not take your child to the restroom, give them food or drink, or otherwise escort them out of the designated Child Care Center for any reason.
- You are advised to check on your child periodically throughout the performance. If your child notifies staff, they need to use the restroom, are hungry, thirsty, or otherwise need attention, the staff will notify you immediately via text, phone call, or in person at your designated seat and you are required to promptly come to the Child Care Center to assist your child with their needs. If you are unresponsive, the staff will make repeated attempts to contact you, however under no circumstances whatsoever are the staff responsible for or permitted to escort your child from the designated Child Care Center.
- There is no restroom within the Child Care Center, and no food or drinks are allowed within the Child Care Center auditorium space.
- There is a restroom inside Kane Hall, as well as some food and drink options, but you must pick up your child and escort them there and back personally.
- Dream Vision and the University of Washington are in no way liable for your child.
